Pinch Plus Organic Herbs and Spices are the perfect solution for novice and professional culinary creatives seeking an easier way to create unique, exotic dishes without the hassle of buying multiple bottles of dried herbs and spices for recipes that

call for just a pinch of flavor. Innovatively packaged in pre-measured one tablespoon Pouches.

Pinch Plus Organic Herbs and Spices are not only ideal for less commonly used ingredients, but banish the inconvenience of measuring out dried herbs and spices, making them a great cooking accessory for even the youngest chefs in the family. By **packaging Pinch Plus Organic Herbs and Spices** in air, light and moisture tight foil pack-

ets, herbs and spices retain their freshness and potency for one to two years longer than traditional bottled or bulk bin spices, leaving no room for excuses to give up on healthy home cooking resolutions!

Pinch Plus Gourmet Cuisine Recipe Booklets are the perfectly convenient way to kick start home cooking New Year's resolutions the whole family can partake in. **Pinch Plus Gourmet Cuisine Recipe Booklets** draw inspiration from some of the world's most reknown culinary her-

itages. **Pinch Plus Gourmet Cuisine Recipe Booklets** come in a wide variety of authentic varieties including: **Pinch of Thailand, Pinch of Mexico, Pinch of France, Pinch of Maine, Pinch of India** and a special **Pinch of Christmas**, perfect for anytime of the year!

For a night of Indian inspired cuisine, use **A Pinch of India** with Curry Powder to create a wholesome Chicken Vegetable Curry, Garam Masala for

a delicious Chana Dal and Mint for a refreshing Mint Raita. Host an upscale dinner party with recipes from **A Pinch of France** with a Three Peppercorn Blend for a rich Steak au Poivre, Herbes de Provence for a light Ratatouille and Tarragon for a tasty Tarragon Potato Salad. And for a night of home cooked, comfort food classics, pick up **A Pinch of Maine** with Thyme to make a traditional Clam Chowder, Tarragon for delightful Lobster Fritters and Cinnamon for a scrumptious Apple Crisp that will fill every kitchen with the warm scents of gourmet cooking.

This New Year make the one resolution tasty enough to commit to all year-round with **Pinch Plus Gourmet Cuisine Recipe Booklets**.
