

**The Alzheimer's Association
Southeast Florida Chapter
simply could not exist
without its volunteers!**

They are the backbone of our organization and truly make a difference while giving of themselves. Whether an individual or a group, we have volunteer opportunities to match your skills and talents! Volunteers needed for administrative office work, special projects and events, health fair representatives Walk Committee Members, Speakers' Bureau, Support Group Facilitators, organizational specialists, simple data entry and more! Daily, weekly and one-time opportunities!
