

Safety Never Felt So Good™

A safe step to comfort and independence

A walk-in tub is independence for those who value self-sufficiency and for those disabled with limited mobility. The Safe Step™ Regal Independence™ has more features than rival competitive tubs — at a much lower price.

100% American-made

Safe Step™ tubs are proud to be made in America using 100% American-made components. We offer top-level quality and service, yet maintain a low price for our tubs and accessories.

Safe and soothing relief for arthritis sufferers

GentleJet™ system features 16 bubble streams and 10 water jets for a soothing massage of your legs, feet and back...or legs and feet only. The door is designed for arthritics as well, with our ergonomic No-Strength™ locking handle.

Installation is included in the package

The Safe Step™ Regal Independence™ tub is designed to easily fit your existing tub space, without full remodeling or further installation expense.

Built for safety and durability

- Solid steel frame for rock-solid support, longer life
- 38" high x 53" long x 28" wide - a much more comfortable bathing area
- Less than 4" step up into tub lessens risk of stumbling and slipping
- Anti-Scalding Protection System protects delicate skin from blistering
- Lifetime warranty on double-sealed door as well as tub
- No-Strength™ locking handle for easy entry and exit
- Anti-slip floor, anti-slip seat and safety grip bar
- Ozone sanitizer. Safe and effective sanitation system that destroys disease-causing bacteria
- 17" ADA compliant seat as well as faucets

All these features and more standard at 30-40% less than the competition
