A UnitedHealthcare® Medicare Solution

The family of AARP Medicare Plans includes Part D Prescription Drug Plans, Medicare Supplement Insurance Plans and Medicare Advantage Plans featuring the AARP® brand name. Plans are insured or covered by UnitedHealthcare® Insurance Company or an affiliate, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor.

AARP and its affiliates are not insurance agencies and do not employ or endorse individual agents, brokers, producers, representatives, or advisors. AARP encourages you to consider your needs when selecting products and does not make specific product recommendations for individuals.

The AARP Medicare Supplement Insurance Plans, AARP MedicareComplete and AARP MedicareRx plans carry the AARP name, and UnitedHealthcare Insurance Company pays royalty fees to AARP for the use of its intellectual property. These fees are used for the general purposes of AARP. AARP and its affiliates are not insurers.
