

# I'M SORRY...PLEASE FORGIVE ME!

By Judy Walters

**Fight Addiction...  
It's Everyone's Battle.**

I had hoped to write this article for the New Year, but **"I simply didn't get around to it!"** That's as honest as I can be and I am asking everyone's forgiveness. I sure hope everyone reading this knows about forgiveness!

The truth is I wasn't too busy with hustle & bustle of the holidays. I did very little shopping, very little baking, very modest decorating and an insignificant amount of wrapping.

I was on vacation! I was away from my office. I was away from my computer most of the time (*which is usually part of my anatomy*). I cleared my mind of any thoughts of work. I had never taken a vacation during the holidays before and, I used this one to focus on organizing my life, loving my kids, and relishing in the **"meaning of the season."** I lived "in the moment"...It was AWESOME! Best vacation ever!

Listen to **Dean Webb** and **Anita Finley** on Saturday, February 11 from 4:30-5:00 PM on WWNN 1470AM and on the Internet at [www.wwnradio.com](http://www.wwnradio.com).

You know all those things in 2011 that you never did because you were too busy? Perhaps you wanted to re-connect with an old friend; perhaps you wanted to write a book. Did you want to start a diet, read regularly, take walks or exercise more? Did you make New Year's resolutions that you've already failed to keep? Or, perhaps like me, you simply never got "around to it?"

Well, guess what? I've got a belated New Year's gift for you. Cut this picture out and you will now have a **"Round TUIT!"** You will now be able to get around to doing all the things you want to do.

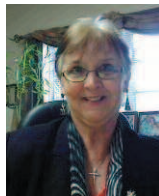

I got around to this article ☺ Love & Blessings to ya'll in 2012.
