## **Introducing Total Medical Health Services**

—By Anita Finley—

We are very pleased to add to our prestigious advertisers, Total Medical Health Services, a company that is celebrating 20 years in business servicing the tri-counties with state-of-the-art medical home health equipment. They are a leader in the medical equipment arena and have for many years been awarded the top accreditation in the medical field.

If you talk to Howard Weinstein, CEO, he will tell you "Our mission is customer service with timely, professional deliverance to the patient. With the changing times, our customers' needs are at the top of the list. Our staff is skilled in the latest state-of-the-art equipment for a better, healthier lifestyle. Whatever your medical needs may be, from a cane, wheelchair, power mobility or a power bed, our staff is trained to explain the operation of the equipment and promptly deliver the product to your home."

For example, since there is a great need, Total Medical has a large division of compression Garments, custom Lymphedema products, Mastectomy products and Bariatric products. And their trained staff is there to provide personalized assistance.

It is important to know that they are Medicare accredited preferred providers as well as with Humana. They do in-house billing for most insurance companies for more timely filings.

You must get to meet Howard who is a leader in the medical arena. His goal is to provide a healthy environment for their customers. He sincerely looks forward to assisting you in all your medical needs and on a side note, if you like basketball, it is a treat to talk with Howard who is a Member of the Hall of Fame in professional basketball. His office is filled with memorabilia of his sports accomplishments.
